LECTORI STUDIOSO.

QUod ad Bibliothecæ uſum & Utilitatem attinet à Thoma [a] Jameſio. S.T.D. Bibliothecæ Bodleianæ apud Oxonienſes, quondam Proto-Bibliothecario ſatis ſuperq; factum puta; quod librorum laudes præſertim Eccleſiaſticorum ſpectat digniſſimas [b] Sixtum Senenſem conſule. Supereſt tamen ut de hac noſtra Bibliotheca, quam propriis ſumptibus [c] Johannes Simpſonius (ὁ μακαρίτης) extruxit totam, quam multijugæ eruditionis libris ornarunt, non plenè inſtruxerunt Benefactores plurimi, adjiciam paucula.

[a] In Præfatione ad Lectorem in Catalogo Librorum, &c.

[b] In Præfatione ad Lectorem in Bibliotheca ſancta.

[c] Rector quondam Eccleſiæ S. Olavi Hart-ſtreet London.

Quod dixit Chriſtus de Meſſe & Operariis; Meſſis magna, Operarii pauci; hoc ego de Bibliotheca noſtra, Domus ſatis ampla, Librorum ſupellex curta; & quod dolendum eſt ut in Civitate tam opulenta, totius Britanniæ Metropoli, ubi flos Miniſterii Evangelici, Ubi Artium affluentia, Ubi Gentium concurſus eſſe videantur, ſtructura

talis per Viginti duorum annorum ſpatium ex quarta ferè parte non appareret inſtructa.

Munificentiam tamen Fundatorum, Fide-commiſſariorum conſcientia debet æternam reddere; In hoc Collegii noſtri de tempore in tempus Curatores Septem-viri de Republica literaria benè meruerunt, qui Bibliothecam hanc noſtram ſic ſartam tectam omnimodè conſervarunt ut ſera ſucceſſionis poſteritas integra Benefactorum fruatur pietate; qui Catalogum hunc pro Virili meo ordine Alphabetico collectum, typis mandari curaverunt, non ut qui ſuperſunt ſed qui deſunt, innoteſcant libri, & propitiante deo ſuppleri poſſint.

Pluribus haud moror ne videar citra clepſydram currere; Hoc unum duntaxat ſupereſt ut te admoneam in libris reperiendis: Litera Alphabetica pluteum, numerus prior plutei diſtantiam, poſterior librum indigitat: Quos in *Archivis* ſub arctiore cuſtodelâ aſſervatos, ſive ſint *MS.* vel in *Faſciculis*, vel aliter diſpoſitos, *præſto erit ut quemlibet ex illis tibi exporrigat.*

J. S.

Bibliothecarius.
